

## **WORK WITH PAPTANGO**

Papatango are looking for a freelance Assistant Producer to join the team on a part-time, freelance basis in summer and autumn 2021.

The Assistant Producer will play a key role in developing and producing four world premieres across both stage and digital platforms, working with over a dozen theatres across the UK.

The Assistant Producer will receive a fee of £3400 for a total of 34 days of work across the period from 12 July to 5 November 2021. The role offers a high degree of flexibility in both remit and schedule: working days/hours can be adapted, and there will be a high degree of autonomy. It is therefore particularly suited to people working on a range of creative projects or looking for a flexible part-time role around other commitments such as caring responsibilities, studying etc. Papatango are open to framing the parameters of the role according to the needs of the right candidate.

Applications should be made either via a short written cover letter (1 - 2 pages) OR a short audio or video clip (5 - 10 minutes), according to your preferred means of communicating. The deadline to apply is 10am on Friday 25 June 2021, and (remote) interviews with shortlisted candidates will be held on Friday 2 July 2021.

Please refer to the Assistant Producer Job Pack - available to download in large print in Word or PDF formats - in preparing your application.

If you need to make your application in another format, have any access needs not specifically provided for in this process, or have any other queries, then please let us know by emailing [info@papatango.co.uk](mailto:info@papatango.co.uk). We will respond within 2 working days.

Thanks very much for your interest in working with Papatango.
